These rates are applicable for secured loans only

* At the expiry of the first 12 months, the interest rate will revert to the Home Loan Index/RIPL Index less a specified ongoing interest rate discount margin. The discount margin that will apply after the first 12 months will be determined by the amount of credit approved at the time of loan application.

WARNING: This comparison rate applies only to the example or examples given. Different amounts and terms will result in different comparison rates. Costs such as redraw fees or early repayment fees, and cost savings such as fee waivers, are not included in the comparison rate but may influence the cost of the loan.
